Performance Notes

Claire Rothrock also wrote *At the River* (with Milton Yakus), *I Love New England*, and *Springtime in Atlanta*. Yakus composed *Annie Oakley*, *Go On with the Wedding*, *Take Me Home, If You Kiss Me and Tell Me*. As far as can be determine, *Old Cape Cod* is the only song written by Allan Jeffrey.

*Old Cape Cod* was published in 1957 and recorded by Patti Page. It was an immediate success and was #7 of top 100 songs of 1957. The song appears on the soundtrack of the movie *Die Hard 2*. It has been recorded by many well-known artists, including Bette Midler, Mary Duff, Frank Sinatra and Anne Murray.

This arrangement, by Russ Foris, was sung in shows by the 1965 international champion quartet *Four Renegades* for many years, and is just one of many outstanding arrangements Russ has created for male and female Barbershoppers over the years. Russ is also a fine coach and chorus director, a specialist in recordings and sound systems, and was formerly employed by the Society. He is now semi-retired and living in Hot Springs Village, Arkansas.

Russ suggests an easy, laid-back tempo with the two-eighth-note groupings sung as triplets. It is a nostalgic song, sweet and tender. Note the alternate possibilities shown on page four.

As a final note: Questions about the contest suitability of this or any other song/arrangement should be directed to the judging community and measured against current contest rules. Ask before you sing.
